Hey Guys,

As a benefit for being BCAPL-sanctioned, you get free premium features to the Fargo Rate App.

I have covered your annual dues, and the BCAPL National office has officially processed the Galveston Island BCAPL sanctioning report.

If you have played two matches, you are considered **a sanctioned player and eligible to receive the premium features on the Fargo Rate Players app.** (see attached)

If you click the “instructions” link below, you can find the APP download links, or you can search “Fargo Rate” in the Play Store or App Store.

You’ll need to search for yourself by name (Player List pasted below) to set up your free account.

If you don’t automatically have the premium features, send an email to support@fargorate.com to request that they activate them for your member account.

They usually get it done pretty fast.

From Fargo Rate

“The players in your league that have either completed two weeks of league play in 2026 in FargoRate or have had the sanction fee for 2026 processed by CSI, can email support@fargorate.com if they are not seeing the premium features in the Player App. Have them include their first, last name, city and state.”
