Hey everyone,

We're starting **tonight**, and we'll be treating it as a **player meeting** rather than a formal league night.

We'll:

- Register teams and finalize players
- Go over league basics
- Vote on structure (format, schedule, playoffs, etc.)
- Answer any remaining questions

**This is where we will lock things in with player input.**

If you plan to play in BCA, please try to make it.

See you tonight,

Ruth
